3. Third agenda item Response from Laurie Nuckols:

Mr. Clark,

The Board policy for the newsletter is that the newsletter is a tool for the Board to communicate to the Association announcements and business of the Association. Business advertising is accepted to off-set the cost to produce the publication and to serve the interests of the community. An opinion article or editorial is not within the spectrum of the intent of the newsletter.

Sorry that I can not help you at this time.

Laurie Nuckols
